## **Don't just take our word for it...**

### **Highly recommended!**

“A very well kept course even in December! Well laid out and a good few challenging holes. Not your everyday course and a pleasure to play”

### **Pleasant and challenging course.....**

“We visited Badgemore Park for the first time this year, and we have already booked again for next. The course, although not long, rewards accuracy and you have to think your way round. The Steak & Ale Pie rounded off a great day, and looking forward to our return”

### **Very enjoyable day out**

“I’ve played this course on a number of occasions both as a society member and a casual golfer and have always enjoyed playing here plus the staff at the club are very friendly and helpful. The golf course is a delight to play with many different holes to test all levels of golfers and is in superb condition - if the course was a bit closer I would definitely be looking to join here”.
