Badgemore Park

Our glorious 18-hole parkland course is set in the beautiful Oxfordshire countryside. It was cleverly designed by architect Robert Sandow to challenge golfers of all standards. The course has a full, state-of-the-art irrigation system, ensuring immaculately maintained fairways and excellent putting surfaces all year round. The club is the perfect venue to host society or corporate golf days of any size.

Additional services we offer

What our visitors say:

Good Value Venue

“Played here many times with various societies and course has always been in great condition. Some changes being made around 1st and 5th greens but doesn't impact the golf”.

Fantastic course worth visiting

“We play at Badgemore every year in a company competition and it's always a great day. Friendly staff, excellent course condition and good facilities”.

Highly recommended

“A very well kept course even in December! Well laid out and a good few challenging holes. Not your everyday course and a pleasure to play”.

Very good golf course

“Have played this course on a number of occasions both as a society member and a casual golfer and have always enjoyed playing here and the staff at this club, very friendly and helpful. . The golf course is a delight to play with many different holes to test all levels of golfers and is in superb condition and indeed if the course was a bit closer to me I would be looking to join here”.
