SO MUCH MORE THAN A COURSE

GOLF DAYS

A little bit about Badgemore Park G.C

Our glorious 18-hole parkland course is set in the beautiful Oxfordshire countryside. It was cleverly designed by architect Robert Sandow to challenge golfers of all standards. The course has a full, state of the art irrigation system, ensuring immaculately maintained fairways and excellent putting surfaces all year round. Recent changes to our 1st, 2nd and 5th holes, as well as the latest addition of a new pond on the 18th, have added to the challenge of the beautiful course.

Our recently refurbished Coach House and outdoor hospitality areas provide the ideal setting for a pre or post round refreshment with an array of menu choices freshly prepared by our expert Chef.

Providing memorable days is what we do best and our friendly and knowledgeable team are on hand to help you plan and deliver the perfect day.

Don't just take our word for it...

Highly recommended!

“A very well kept course even in December! Well laid out and a good few challenging holes. Not your everyday course and a pleasure to play”

Pleasant and challenging course.....

“We visited Badgemore Park for the first time this year, and we have already booked again for next. The course, although not long, rewards accuracy and you have to think your way round. The Steak & Ale Pie rounded off a great day, and looking forward to our return”

Very enjoyable day out

“I've played this course on a number of occasions both as a society member and a casual golfer and have always enjoyed playing here plus the staff at the club are very friendly and helpful. The golf course is a delight to play with many different holes to test all levels of golfers and is in superb condition - if the course was a bit closer I would definitely be looking to join here”.
